*Value-added
Finance Expertise*

MGW Consulting was established in 1992 and is owner-operated by Martina Wood, CMA. With many years' experience in financial leadership, management counsel and systems, areas of focus include

performance improvement, interim management and strategic projects.

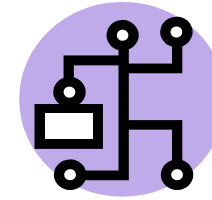

Ms Wood's professional background includes ten years of corporate management and ten years entrepreneurial experience in the areas of Finance, HR, and IT. She is a top-notch finance professional, a results-oriented, pro-active strategic thinker and resourceful change agent providing sound business and financial counsel to enhance strategic and operational effectiveness.

Ms. Wood has led or been involved in numerous projects and management activities including IFRS implementation; systems conversions; merger / business combination / divestiture activities; DB and DC pension due diligence / audit oversight / pension transfer issues at time of business inception and subsequent merger; risk assessment, management and insurance issues; business continuity planning and management; HR issues including staffing issues (hiring and termination), benefits plan design/selection, compensation planning, corporate scorecard and performance metrics; annual audit management; as well as the many responsibilities that are standard fare for a senior finance professional.

MGW clients have been in many sectors, including Financial Services / Healthcare / Distribution / Consumer Products / Regulatory / Technology / Property Management / Publishing / and Manufacturing.

Ms. Wood has held governance roles with CMA Ontario (Board Member) and City of Mississauga Election Campaign Finances Committee (Vice Chair). She is currently involved with two community groups of personal interest.
